Dear Advait,

I would like to express my sincere appreciation and satisfaction on completion of **Project Starlight**, involving the strategy and roll out of Balanced Score Card at Dimexon.

The Upohan team, under your leadership, took extreme care to understand our business and interacted with our people and always worked as 1 team. Furthermore, you addressed the need of the hour without referring to project scope and engagement – always working to provide a solution to any problem that may have been unforeseen at the scoping stage.

I will most certainly call upon you and the Upohan Team as and when future requirements arise and look forward to future engagements.

Thanking you.

Yours Sincerely,

**Rajiv Mehta**  
Director
